Mr. John Reynolds
Regional Director
Pacific West Region
National Park Service
600 Harrison St., Suite 600
San Francisco, California 94107

Dear Mr. Reynolds:

This is to notify you that the Army has determined that it is necessary to modify the excess property listing at Fort Hunter Liggett in order to support the mission and the best interests of our soldiers residing at the installation.

The following property remains available to the National Park Service:

- Buildings 124, 127, 132A, and 149
- Hacienda Complex (Buildings 100, 100A, 100B, 101, 103, 130, and 131)
- Jose Mario Gil Adobe (Building 640)
- 1 acre under and adjacent to the Tidball Store

All other property previously declared available to the National Park Service will be retained by the Army. This action does not affect the 11 acres claimed by the Navy.

We intend to explore the possibility of leasing the historical facilities specified above to a third party, pending transfer to the National Park Service, in order to keep them open and operating in the best interests of the public.

We look forward to working with you to transfer the available property as soon as possible. Please contact Ms. Joy Gipson-Taylor, Sacramento District Corps of Engineers at (916) 557-7251 to initiate discussions on the transfer of the available property.

Sincerely,
